

Loop 303 / US 60 (Grand Avenue) Traffic Interchange Construction Sound Wall Construction Along Loop 303 Begins This Month

The Arizona Department of Transportation is beginning construction on the Loop 303 / US 60 (Grand Avenue) Traffic Interchange in December 2014 and the project is anticipated to be complete summer 2016. As part of this project, a new bridge will be constructed on the south side of the existing Loop 303 bridge (serving as the new east/northbound travel lanes), sound walls will be constructed north of Mountain View Boulevard along the Loop 303 corridor, and the roadway will receive a layer of rubberized asphalt paving.

Construction Schedule

Construction of the sound wall on the west/southbound side of Loop 303 between Mountain View Boulevard and US 60 is anticipated to start construction in **December 2014**.

Construction of the sound wall on the east/northbound side of Loop 303 between Mountain View Boulevard and US 60 is anticipated to start construction in **January 2015**.

Sound wall work is scheduled to occur during daytime hours, Monday through Friday from 8 a.m. to 5 p.m. However, weekend work may be required. Temporary fencing will be installed prior to demolishing the existing wall and will remain in place until the masonry sound wall is fully built. During construction of the Loop 303 / US 60 (Grand Avenue) Traffic Interchange, closures and restrictions may occur. Drivers are reminded to slowdown and be alert when traveling in the work zones.
